Subject: Letter of Recommendation  
Regarding Ohio Employee Health Partnership

To Whom It May Concern:

Foster Wheeler Inc is an Engineering & Construction Company headquartered in Clinton, New Jersey. Three of its subsidiaries have been working in the State of Ohio for many years. Our MCO provider for the last 5 years has been Ohio Employee Health Partnership (OEHP) based out of Columbus, Ohio.

We are very pleased with their performance. They supply a high degree of professionalism when dealing the injured employee and in supplying Foster Wheeler with status reports on the progress of the employee's recovery.

I would be pleased to recommend them as an MCO provider to any company inside or outside the State of Ohio.

Thank you for your time and attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Susie Schallock".
