Dear Ms. Donner:

The following letter is to commend you and Ohio Employee Health Partnership on the exemplary efforts and services Pro-Pak Industries and its associates receive by OEHP being the organization's Managed Care Organization

To Pro-Pak Industries, Ohio Employee Health Partnership is more than just a company that reports claims, disputes resolutions, or reviews bills, treatment requests and decisions. Ohio Employee Health Partnership is a strategic partner in Pro-Pak Industries on-going safety and health efforts, including the medical management services of the Company's Workers Compensation program. The professionalism and expertise of their cordial staff deliver completion of their mission to us - identify, manage and expedite optimal care for our injured workers.

Please accept this letter as our sincere thanks for delivering on who you said you would be and assisting us with our workers compensation management.

Sincerely,

Scott A. Armeey, PHR  
Human Resource Manager  
Pro-Pak Industries
